Hey Mike,

Hope the RA's visit went well and that you enjoy a nice long, well-deserved Independence Day weekend.

Just to keep it on our radar screen, were you able to locate any images we can use of the CFAC site? We can use them in developing the CIP, update the EPA CFAC webpage, and use in presentation, handouts, and other materials. You mentioned you or someone may have a file of images? If not, we can make a plan to take some pictures.

You had also mentioned wanting to organize a public meeting in Columbia Falls later in the summer. Let me know when you want to start to coordinate that.

Also FYI – I will be in the office Tue & Wed of next week and then on leave through July 18.

Thanks Mike! Happy 4th!
